

Why should I spend part of my summer in SUMMER BOOST?

- You will have the opportunity to advance a level in math or English, which will save you additional semesters at Cypress College. Spend 30-40 hours of your summer to save 16-32 weeks during the semester!
- Your participation in the program will guarantee at least 12 units of classes during your Fall 2016 semester.
- You will work with counselors to design an educational plan for your academic goal to help you graduate or transfer quickly.
- You will get a priority registration date for Fall 2016 and Spring 2017 so you won't have to worry about finding the classes you need.

Benefits of Participating in Summer Boost:

- ◇ 12 units guaranteed (including math and English) for Fall 2016 and Spring 2017
- ◇ Improved college readiness and direct counselor support
- ◇ Early Enrollment
- ◇ The opportunity to complete a workshop and advance at least one level in Math or English
- ◇ Bridge to the Charger Experience Program - Express Roadmap to Completion!
- ◇ Enjoy the rest of your summer knowing you have the classes you need and saved time from placing higher!
